

For Sale SWALLOW CONVERTIBLE (SS100 look alike)

Finished and registered in 2007 and has only traveled 16000km since built. Runs on Nissan 2.8L 6 x cylinder, fuel injected motor & 5 x speed manual gear box.

Chrome spoked wheels with Dunlop Monza 200 tyres.

Italian leather seats and walnut veneer dash.

Power brakes & security system fitted.

Full set of electronic gauges.

Full tonneau cover with separate Side Screens. Just serviced with new WoF on 21st October. Rego to 27th Aug 2017.

Being sold by the builder, with regret but age has caught up with my wife and myself and have recently shifted to an apartment with limited parking

Looking for \$ around mid-thirties as cost to build \$50k+
